Education

General Assembly	October 2022
University of Missouri - Kansas City BS Accounting & BBA w/ emphasis in Health Administration GPA: 3.4 (Cum Laude)	December 2021
Maple Woods Community College Associate of Arts in Liberal Arts	May 2018

Bootcamp Experience & Relevant Project Work

- Gained exposure to programming fundamentals such as control flow, data structures, and functional decomposition with projects like text-based adventure games and terminal battle simulators.
- Developed proficiency in JavaScript, HTML, and CSS through various projects like personal websites and dynamic webpages enhanced with JQuery.
- Leveraged technologies such as VS Code's debugger, JS Live Server, and Chrome developer tools to complete the projects listed above in an efficient and timely manner.
- Submitted all course work completed on my forked repo using basic terminal + git commands all hosted on GA's GitHub Enterprise instance.

Work Experience

Forvis – Tax Associate	January 2022 - June 2022
<ul style="list-style-type: none">• Developed my project multitasking abilities and delivered on numerous deadlines by keeping open communication with the in charge about progress of the return and any questions I may have in the way of its completion.• Cultivated a keen eye for patterns and inconsistencies with an insatiable desire to see everything balanced and work properly.	
Central Bank of the Midwest - Bank Teller	July 2018 – January 2021
<ul style="list-style-type: none">• Demonstrated leadership abilities by taking initiative with closing tasks making it possible for employees to leave on time or earlier as often as six days a week• Ensured customer success by assisting or directing them to the right bank representative as quickly and seamlessly as possible.
